

American Council of Engineering Companies of New York

2009-2010 Committee Participation Form

Please check the committee(s) on which you would like to participate. Return this form even if you have served in the past. One form per person please.

Legislative Affairs Division:

- Legislative Committee**
Drafts, initiates, and sponsors state legislation desired by the ACEC New York Member firms and the Board of Directors.
- Federal Subcommittee/ACECPAC**
Addresses national legislative issues and supports ACEC PAC activities in New York.
- Standards of Practice Committee**
Promotes the ethical standards of ACEC and recommends the means to maintain and advance them; cooperates with authorities concerned with the administration and enforcement of laws that govern and control the practice of design professionals.

Professional & Industry Division:

- QBS Committee**
Serves to educate others and ourselves about qualifications-based selection and to enhance and encourage its use by public and private clients.
- Construction Liaison Committee**
Works with AGC and GBC on common areas of interest and may expand scope to deal with other related organizations.

Communications Division:

- Public Relations Committee**
Suggests public relations programs and activities responsive to basic policies and goals established by ACEC New York.
- Recognition Awards Committee**
Organizes and presents annual leadership and firm anniversary awards.
- Engineering Excellence Committee**
Monitors, organizes, and oversees the activities that produce the Engineering Excellence Awards Program and Dinner Dance.
- Scholarship Committee**
Presents the value of the consulting engineering profession to college students and coordinates the ACEC New York Annual Scholarship Program.
- Constitution Committee**
Ensures compliance with bylaws and proposes changes to existing bylaws, as necessary.

Member Services Division:

- Membership Committee**
Recruits members and recommends new membership materials and recruitment/retainage programs.
 - Continuing Education Committee**
Oversees activities relative to the Continuing Education regulations and the ACEC New York CEU programs.
 - Insurance Committee**
Reviews information relative to professional liability, business insurance and health insurance as it relates to the design profession.
- ACEC New York/AIA Joint Practice Committees**
These joint committees are coordinated through ACEC New York Counsel in conjunction with AIA
- Consultants Committee**
 - Contracts Committee**
 - Firm Management Committee**
 - Risk Management Committee**
- DMWBE Committee**
Focuses on areas of concern to firms with DMWBE ownership.

Government Affairs Division:

The following agency liaison committees work with state, regional and city agencies and authorities to promote good business practice and positive relationships. Work on liaison committees to include discussion of contract language, selection process and criteria, and to act as an industry advocate.

Space on liaison committees is limited and term limits may apply.
