Navigating the Public Sector: Understanding the Public Design Review Process

HOW CAN YOU NAVIGATE THE PUBLIC DESIGN REVIEW PROCESS MORE EFFECTIVELY?

This engaging discussion-driven forum presents an overview of the public agency design review process. Learn how to establish successful and productive relationships with these agencies and streamline your public design review submission. Hear from public sector decision makers and leading design professionals who have been involved in public projects.

Learn:

- The ins and outs of the design review process for public projects
- Insights from colleagues who have participated in public projects
- How to complete and submit applications for public projects successfully
- Expectations of the design team during the public project review process
